

## Outdoor Decks

While enjoying the view from your deck, [please remember to unlock the deck door before closing it](#). If you merely press the lock push button, it should unlock upon opening to the deck. If you press the lock push button **AND** turn it, the door lock always stays locked. It's quite cold out there in the winter...brrr....be careful! We also want to save our screens!

## Skylights

**Units 11 through 18** - To operate the skylight in the bathroom, locate the crank handle in the closet at the top of the stairs. Connect the handle hook to the window hook, extend the handle horizontally above your head (best done by the tallest person), and then crank it open or shut.

**Units 21 through 58** – To open the skylight, The skylights have blinds and a rain sensor to automatically shut them when necessary. In the summer, we encourage you to close the blinds to keep the hot summer sun from heating your master bedroom. Press the up arrow to open, the down arrow to close, and the center round button to stop it.

## Washer/Dryer

Our stackable units are not intended for large loads of laundry. The washer will hold the equivalent of six bath towels. Please use no more than one-quarter cup of detergent. The lint traps are generally located in the back of dryer drum and should be cleaned after each load. If there is any malfunction of this machine, please let us know immediately, as we may need to order parts. Staff can work on your appliance while you are out for the day exploring.

## Extras

There is a plunger located in each townhouse and it can be found in the upstairs closet or the half bath, if needed. If further maintenance is needed, do not hesitate to contact the Front Desk. The linen for the sofa is located in the main floor bathroom in applicable townhouses. Please contact the Front Desk for further information.

## Housekeeping

Should you desire a mid-week cleaning, please notify us 48 hours in advance. The charge will be **\$75.00**. A full towel exchange is available for **\$15.00**, and a linen exchange is **\$5.00** per bed.
